

# INTERNATIONAL MOBILITY

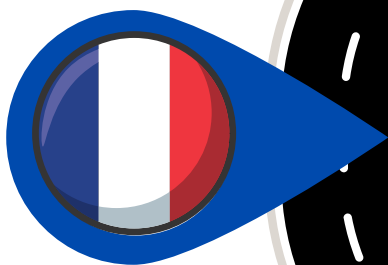

## BACKGROUND

Throughout my upbringing, I've always had a keen interest in exploring different cultures and acquiring new languages..

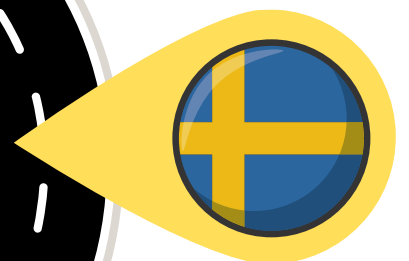

## STUDYING ABROAD

- **University of Lorraine**
  - Electrical engineering and industrial computing
- **ENSEEHT - Toulouse, France**
  - Software Engineering

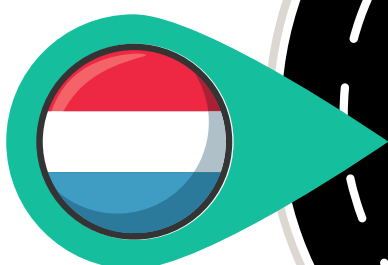

## ERASMUS

I spent part of my fourth semester (from January to April 2022) in Sweden as part of Erasmus+.

## INTERNSHIP

I interned at Regulux & Associés S.A.R.L. to learn the fundamentals of HVAC (Heating, Ventilation, and Air Conditioning)

## SOLO TRAVELING

Since 2020, I've been traveling solo and have visited 11 countries to date.
